This is also a most desirable home, with eight rooms, bath, pantry, hot and cold water, etc. Must be seen to be appreciated. calcago, March 6.—After thirteen weeks and one day occupied in the selection of a jury and the examination of witnesses, the government to-day closed its case in the trial of the ten Chicago meat packers charged with conspiracy in maintaining a combination in restraint of trade. The case is said to be the longest criminal trial in the history of the Federal course. Chicago meet packers charged with conspiracy in maintaining a combination in restraint of trade. The case is said to be the longest criminal trial in the history of the Federal courts.

Judge Carpenter immediately adjourned court for the day and amounced that at the opening jo-morrow a written motion signed by each of the ten defendants would be presented asking the court to take the case from the jury and discharge the packers on the ground that the government has failed to prove its charges under the indicement. It is expected that counsel for the defendants will argue nearly a week on the motion.

The closing hours of the government's side of the case were taken up with the reading of statistical data on the packing industry in the United States and stipulated statements of the corporate history of the companies controlled by the defendants.

The trial was begun, December 5, and the jury was sworn in December 5, and the jury wa sell at public auction, on the premises, the above described property on ...
